Dear Mr. Terreni:

Subject: Requests for Information from Progress Energy

Ref: Case No: 2004-219-E

Enclosed please find my Requests for Production of Documents, Answers, and Interrogatories from Mr. Len Anthony, Counsel for Petitioner in this case, dated January 16, 18 and 19, 2006 respectively.

Please Note that I specifically require Mr. Anthony to file notarized statements testifying under oath to the accuracy, correctness and truthfulness of his statements.

Mr. Anthony may avoid and delay responding to these requests. Based on past experience, Mr. Anthony may attempt to deliberately delay my discovery. In that case I would be forced to request further extension of Hearing dates. Further, I would have to file **Motions to Compel** discovery if he fails to cooperate with these requests or files evasive answers.

Mr. Anthony's two Petitions were vindictive, frivolous and nuisance pleadings designed specifically to cover up the utility's repeated violations of Commission regulations, particularly by Ms. Pam Hardy, and the repeated violations of PSC/ORS regulations and continued incompetence of his employee^s and contract meter readers.

It is my intention to document and expose this to the Commission and ORS, which to date have repeatedly issued Orders that simply **parrot** the statements of both Ms. Pam Hardy and Mr. Anthony **without any independent investigation of the facts or consideration of my statements to the contrary.**

Yours sincerely,

Beatrice E. Weaver

Encl: Copies of letters dated January 15, 16, 17, 18 and 19, 2006 to Petitioner.
